

# Evaluation

## Competency Evaluation Scorecard

*This table can be used by your HR team to **evaluate** potential employees during the interview process. This section can also include interview templates such as a list of questions for the aspiring employee.*

|                              | Score 0-10 | Weight 1-10 | Weighted score | Notes |
|------------------------------|------------|-------------|----------------|-------|
| Relevant skills              |            |             |                |       |
| Responsibility and Integrity |            |             |                |       |
| Creativity/Problem solving   |            |             |                |       |
| Curiosity                    |            |             |                |       |
| Domain experience            |            |             |                |       |
| Leadership experience        |            |             |                |       |
|                              |            |             |                |       |
|                              |            |             |                |       |
|                              |            |             |                |       |
