

# Our team

To start, give the reader an idea of what it's like to be a part of your team. State your **team values** (e.g. mutual support, open-mindedness) and your common goals. Add a group photo if you have one.

Introduce the members of your team, starting with your CEO and executive team.

We recommend grouping your staff **by department**, so that new members can easily find the person they're looking for.

## Executive Team

Each employee can fill out their own section, and new employees can add their information while they get to know the rest of the team.

## CEO

add a recent photo of each staff member

- Name
- When they joined the company
- Contact information (work email, daytime phone number, links to relevant social media profiles)
- Main responsibilities at the company
- A couple fun facts and personal interests—especially important if you are new to the team and want to know the person behind the title.
